

Brigade Woods — Ganesha Chathurthi 2026

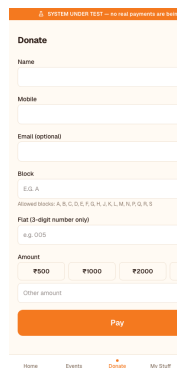

QUICK GUIDE

Donate, see events, register for the community dinner, and check your own registrations — all from your phone, no account or app download needed. A saffron banner reading “SYSTEM UNDER TEST” may appear while payments are still being finalized — it just means no real money is charged yet.

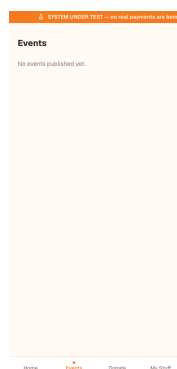

1. Home

- Open the site link — no login or app download needed.
- See the festival name, total collected so far, and upcoming events at a glance.
- Tap **Donate Now** to contribute, or **View All Events** to browse the schedule.

2. Donate

- Fill in your name, mobile number, Block and Flat number.
- Pick a quick amount or type your own, then tap **Pay**.
- Complete payment in the popup that opens — a receipt appears once it's confirmed.

3. Events

- Browse all festival events with date, time and venue.
- Open an event and tap **Register** if it needs sign-up.
- Registered? You'll find your entry under **My Stuff**.

4. Community Dinner

- Once dinner registration opens, choose your day and enter adult/child counts.
- Free meals get an instant digital token; paid meals need payment first.
- Show the QR token (under **My Stuff**) at the dinner counter to be served.

5. My Stuff

- Enter your mobile number to look yourself up — no password needed.
- See all your donations, receipts, event registrations and dinner tokens in one place.
- Every donation status (success / pending / failed) is shown here too.

6. Volunteer Sign-Up

- From Home or **More**, tap to sign up as a festival volunteer.
- Fill in your details and pick the areas you'd like to help with.
- Your application is submitted as **Waiting for admin's approval** — a super admin activates it before you get volunteer access.
